

2011 England Riots overview

For Jonathan Grandage MP

aka London Riots or Tottenham Riots

Following the death of Mark Duggan on 4th August 2011

Widespread looting, significant arson, mass police deployment between August 8th and 11th

Deaths of 5 civilians, multiple other injuries

Some injuries caused by police, such as running over protestors foot with police vehicle

Footage of this was widespread on twitter in the years after the riots, but has been suppressed as best as possible following usual anti-police hashtags, can now be considered history
