## BCU NE Newsletter #71

### Send off to Officer Dander.

Our longest serving colleague, Officer Maxwell Dander, retired this past month, and had the party of all retirement parties to send him off.

Maxwell said in his retirement speech "A big thank you to all my many colleagues, and all my other friends here today to celebrate my time at the Met, especially Gemma and Paige who've hooked me up with a wonderful little down sized place for my finer years. Thank you ladies!"

Everyone here at the Newsletter Team wishes Max a wonderful retirement.
