Rosa was a laugh when she used to come around here, but when she got reassigned we didn't see much of her. Then she turns up asking for a job. I barely recognised her at first, her new hair looked nice but she didn't look like she was having a really good time of it. Unfortunately we can't be taking new staff on at the moment. We're planning on selling up soon. Been made an offer we couldn't refuse. Then she went outside and I heard the commotion from the attack. When I got outside it was all over.
